

# Text Sentiment Analysis

---

Deep Learning Semester Project

Alexandros Chantzaras

Nikolaos Kyriakakis

# Objectives

---

Experiment with different textual representations

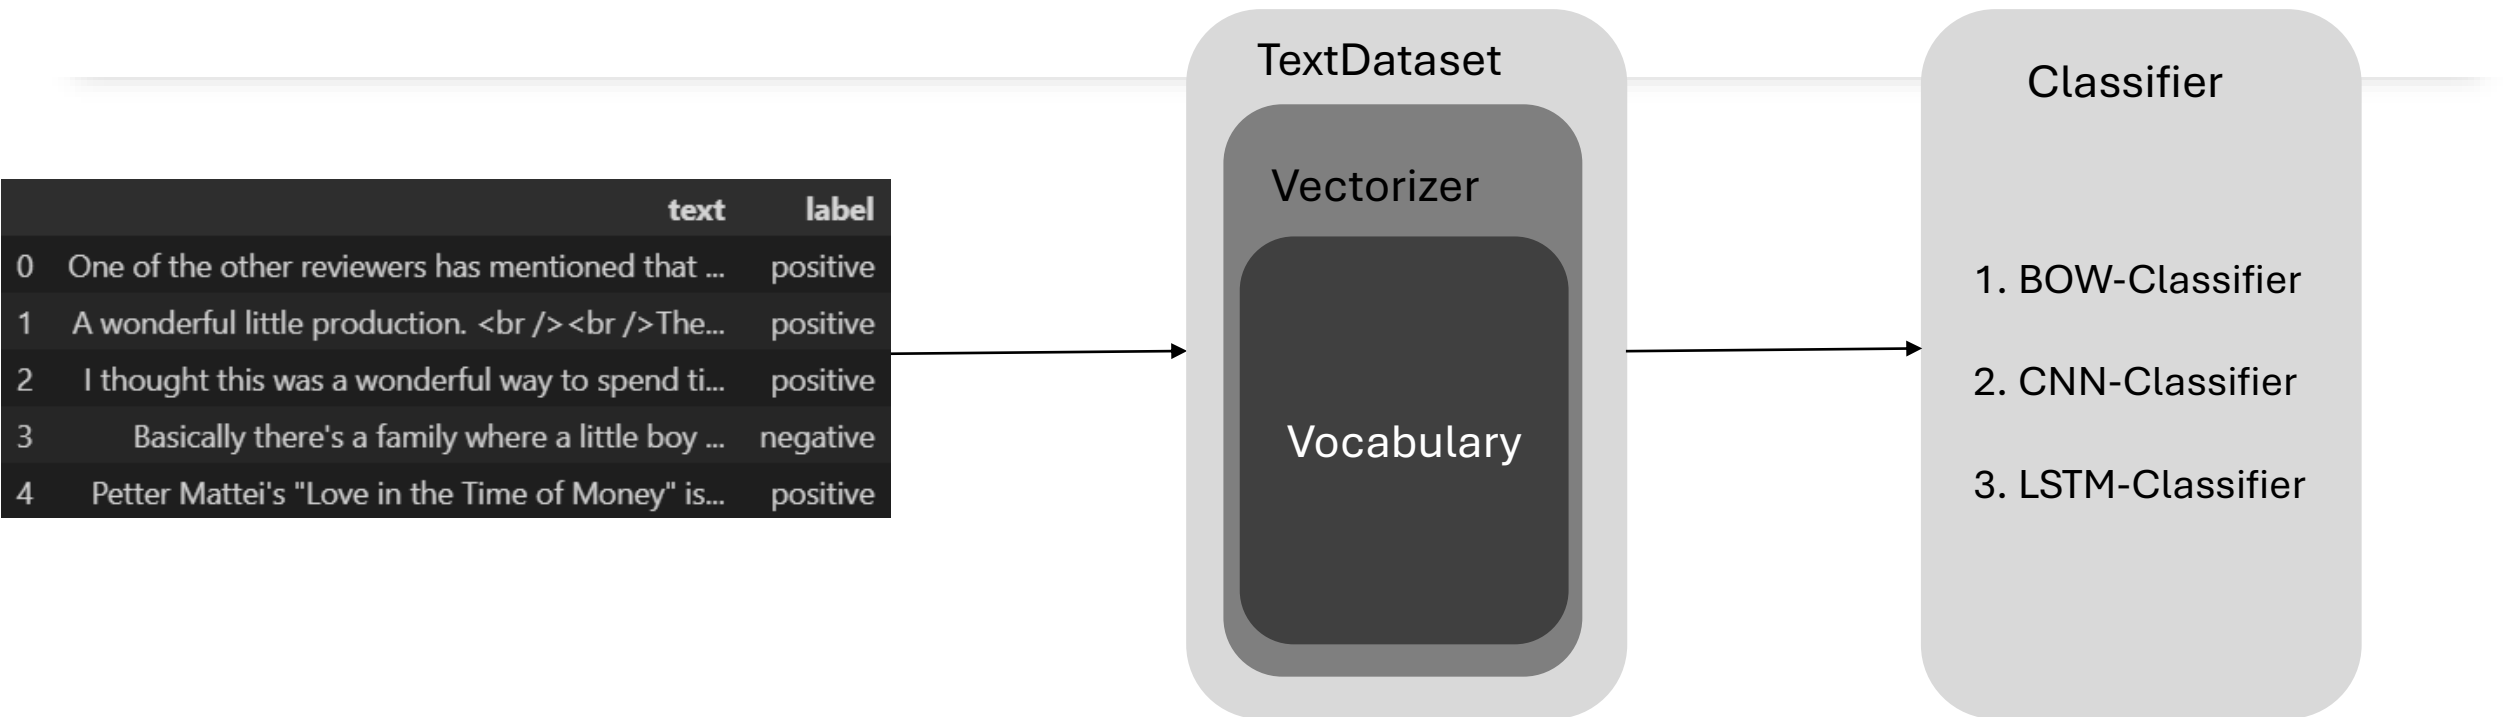

Apply text pre-processing techniques

Use pre-trained word embeddings

Train and evaluate different types of neural networks on textual data

Measure the performance of those models on test data that were never seen before by the model

# Project Overview

# Bag Of Words Classifier

	1	2	3	4	5	6	7	8	9	10	11
	This	movie	is	very	scary	and	long	not	slow	spooky	good
Review 1	1	1	1	1	1	1	1	0	0	0	0
Review 2	1	1	2	0	0	1	1	0	1	0	0
Review 3	1	1	1	0	0	0	1	0	0	1	1
